“To Achieve Universal Peace & Harmony”

SHATAKOTI GAYATRI MAHA MANTRA JAPA YAGNAM MAHA PURNAHUTI

Sri Gayatrai Namah

Jai Sriram

Kalvakolanu Chittaranjan Das Memorial Trust (KC Das Trust) established by the Brahmasri Kalvakolanu Sriramachandra Murthy couple in the year 2009 in the name of his father late Kalvakolanu Chittaranjan Das has been conducting spiritual, charitable and social service activities. As per the directive of the Sringeri Pontiff, “sandhyavandana abhyasana sikhana samiti” was established as a spiritual ancillary to the above trust and taught sandhyavandanam to thousands of aspirants by conducting free online classes. By calling on those who learnt sandhyavandanam from these classes, to continue to recite Gayatri Mantra daily (Gayatri Mantra Japam) as many times as possible without fail (as a part of their regular sandhyavandanam), the trust succeeded in achieving the envisaged target of “Gayatri Mantra Japa” running into several crores and dedicated it to the welfare of mankind.

With about 3,000 Japitas, and a well designed programme, the trust is all set for **Shatakoti Gayatri Maha Mantra Japa Yagnam - Maha Purnahuti to be conducted in Ayodhya in July 2024.**

With a view to create awareness on Sanatana Dharma, that would enable all to know Dharma and propel them to follow the norms, an organisation called “Sanatana Dharma Varadhi” was established in 2017 (as an affiliate to Chittaranjan Das Memorial Charitable Trust), and has been organising various programmes for the benefit of all, irrespective of age, gender and sect.

While the establishment of Dharma and inculcating a sense of good attitude amongst humans are of paramount importance for the trust, it did not lose sight of the needs of other creatures that coexist with us. As a part of this, in the last twelve years, it has been urging its members to take proactive steps to ensure filling of open and step wells with copious inflows of water for meeting the needs of birds and animals by invoking divine grace of nature elements for universal welfare. This is sought to be achieved by making this wish, a part of resolve Sankalpam during Sahasra Gayatri Japam followed by Ksheera Tarpanam for ten percent of Gayatri Japam Count. This will continue and culminate during the five day programme starting 27-07-2024 and concluding on 31-07-2024 when Gayatri Havanam and maha pornahuti will be conducted in a traditionally erected Yagasala at Ayodhya. This part of the work is being looked after by a team of 24 Vedic Scholars led by “abhinava vasishtha” Brahmasri Duddilla Manohara avadhani (the founder of Acchalapuram veda pathashala). Discourses on skanda puranam, devi bhagavatam etc are a part of this programme.

In addition to this, as a precursor to this Ritual, each member will have completed reciting valmiki ramayana 1,116 times by that time. Celebration of Sitarama Kalyanotsavam on a grand scale will form the finale of this event. We need not despair for not having been able to watch this celestial event held in treta yuga, now that we have an opportunity to witness the same. In addition, congregational Sri Satyanarayana Vratams, Lalita sahasranama Parayanam and Kumkumarchanas are planned in a way enabling everyone to participate. On the banks of the Sarayu River (where Sri Rama, ended his ascension) flowing through the place which was ruled by Sri Rama for eleven thousand years, a sandhyavandana karyakramam by thousand Brahmins is planned and this will be followed by “avabrudha snanam”.

Many more programmes with spiritual content are lined up. Such a blend of programmes and that too on such a scale would be rare. Around 5,000 people are estimated to participate in these programmes each day. Around 25,000 people would be fed during the five day programme. Ritualistic clothes would be given to the participants.

Needless to say the requirement of money to organise events on such a large scale. Philanthropists are coming forward to make contributions. While there are three categories of donors depending on the amount they pay, you too can become a donor contributing your mite. Further there is a great need for volunteers. Those interested in acting as volunteers can contact the **Co-Ordinator Sri. Chandrasekhar Kulkarni or call on the number 9000498121.**

Donations made for this event will be exempt from IT under 80G of IT Act.

Extending a warm welcome to you and members of your family.....

**Satakoti Gayatri Japayagna Nirvahana Brundam
